This 2 storey home with double attached garage spans over 2700 square ft and begins with the generously lit foyer opening onto the formal living and dining area. Past here is the kitchen with ample cabinet space and stainless steel appliances, additional dining area, and family room with fireplace, all overlooking the green space past the deck. The main floor also features full 4 pc bathroom, laundry upon entry from the garage, and an office which can easily be used as an additional bedroom.
